

STREET FURNITURE

OUR SELECTION FOR SCHOOLS

INVENTED AND PRODUCED IN FRANCE

LINK COLLECTION FOR CHILDREN

Retaining the benefits of the adult version, the Link range for children can be adapted in height (seat 330 mm, table 510 mm) and can be combined with other furniture from the collection, such as the low table or the sunshade.

AROBASE

The terrace, platform or podium configurations allow children to use the furniture in their own way and to create inclusive spaces. **All postures are possible!**

THE PODIUM

Ref. 16 C01
Made up of:
- 2 low stools
- 1 stool

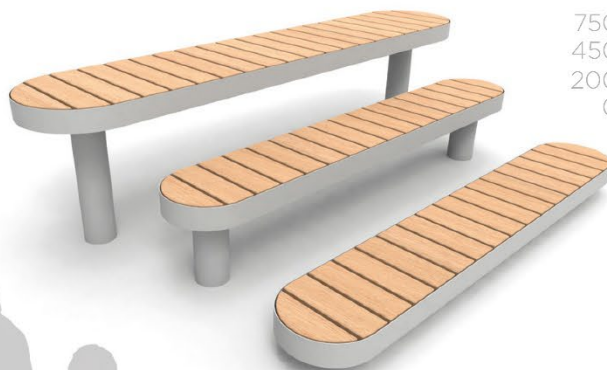

THE PLATFORM

Ref. 16 C09
Made up of:
- 1 table
- 1 bench
- 1 short bench
- 1 stool

THE TERRACE

Ref. 16 C10
Made up of:
- 1 high bench
- 1 bench
- 1 low bench

Height and length can be adapted to the age of the children and the available space

BOBINE

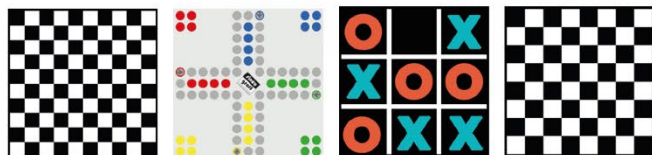

BOBINE frees up the ways of resting, somewhere between a classic sitting position and sun lounging. A new and playful kind of bench.

Installed end to end, face to face or side by side, BOBINE can be used for any use.

LIVE

WITH ITS POP DESIGN and the option of adding chess or tic-tac-toe boards, the **LIVE** range will undoubtedly find its place in your institutions!

INTRODUCTION TO ECOLOGY

REFUGE® BENCH | INSECT HOTEL AND BENCH

Installing refuge benches that encourage biodiversity in a school yard or on its forecourt means that our children can learn about ecology even at school!

ISLANDS OF FRESHNESS

VOLUBILIS | FRESHNESS COLUMN

Thanks to its small footprint, this stake for climbing plants can be used to cover and green blind walls. Shading is provided by the plants or by the addition of shades. Volubilis contributes to biodiversity and captures carbon.

VOLUBILIS

Ref. 17 0801 0M10 AP00

STEEL GARDEN | EDUCATIONAL GARDEN

The steel garden soil earth retainers create islands of freshness within the schoolyards, removing minerals while adding greenery. Used as an educational garden and combined with seating, it brings the children close to nature!

STEEL GARDEN

As a designer and manufacturer of street furniture, **Sineu Graff can adapt or create all types of furniture.** Contact us!

This offer is not exhaustive.
Customisable colours at no extra charge.
