

WASHINGSTAND

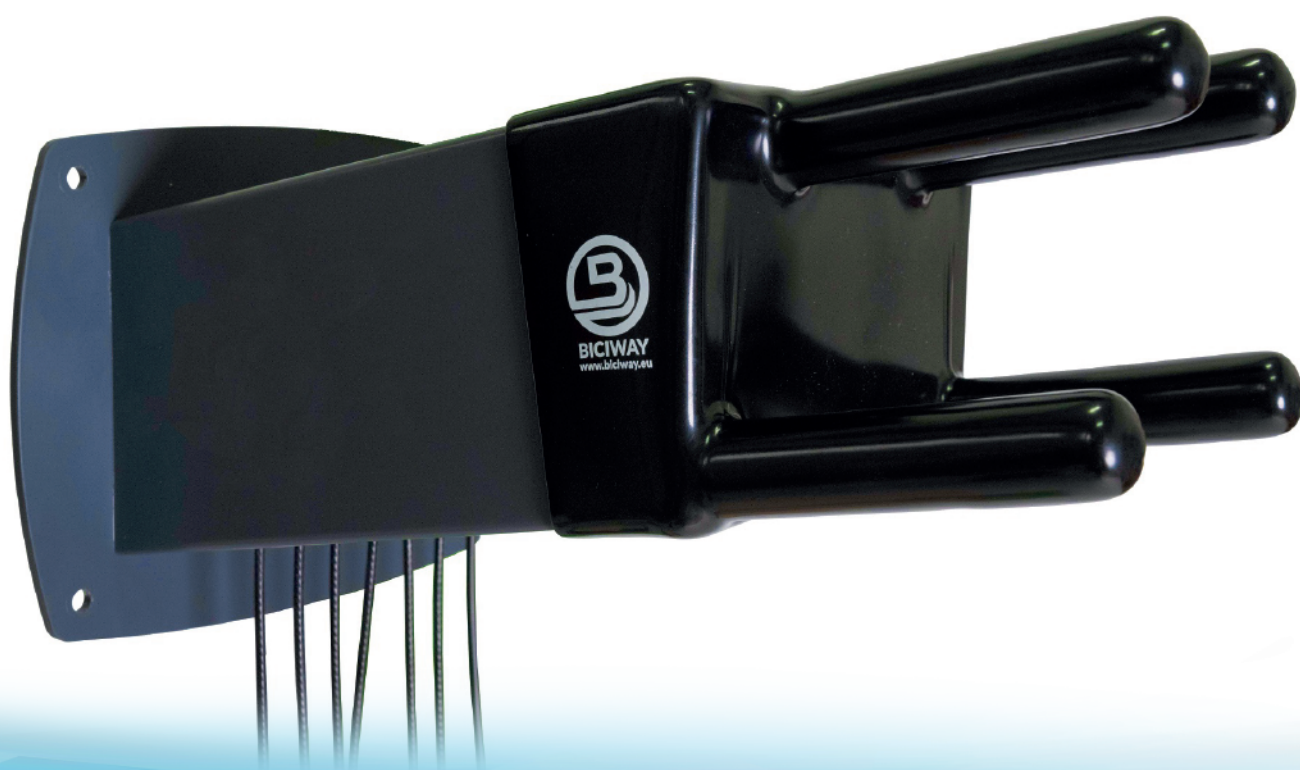

Wall Mounted Compact Bicycle Washing Station

The Washing Stand is a compact and wall mounted bike washing station, that uses the UrbanFix patented 4 pin head as the support for the bike. You can place the bike in any position you want in order to maximise access to the bike parts/components you want to wash.

It comes with 4 specific bike cleaning brushes attached to a PVC coated cable. It is fully customizable in several RAL Colours and also have logos or branding placed on the sides
