

Compact Bicycle Washing Station

The WashingPoint is a compact, collapsable and wall mounted bicycle washing station, developed with the needs of cyclists of any type in mind (urban, mountain, road).

Its supporting protected claw adapts to any type of bike size, with any type of handlebar.

Includes 4 specific bike cleaning tools.

Technical Features

1. Designed for small spaces (collapsable arm), uses only 8cm length by 22cm width when closed.
2. Includes 4 bike specific cleaning brushes:
Brushes can have an optional security PVC coated cable.
3. Supporting claw is rubber coated and does not damage the bicycle while holding it firmly
4. Fits any type of handlebars
5. Several RAL Colours Available

Designed for

1. Sports facilities
2. Mountain or Road Bike Centres
3. Bike Friendly Hotels
4. Bike Shops
5. Car Washing Stations

1. Soft Bristle Soaping Brush
2. Tapered Detail Brushes
3. Frame Cleaning Sponge/Bristle Brush
4. Suporte de lavagem
5. Curved Brush with toothed-end that reaches dirt deep between the gears, and tough nylon bristles for cleaning derailleurs and chains
