

Opéra Low Table

Ref. 10 0640

Street Furniture
Opéra Range

Sineu Graff : Intelligent Design
for the town of tomorrow

➤ Presentation

The Opéra low table is universal and can adapt to all situations: it can be unobtrusive in a high-density context or stand out in a sparser environment. With its clean design, the Opéra range of street furniture includes seats with 3 and 2 places and chairs. The low table is a perfect complement for the seating.

This furniture has been designed and manufactured by Sineu Graff, experts in urban landscaping, in accordance with a sustainable development approach.

➤ Description

The top of the low table is made up of 6 wooden planks with a 33x105mm section, in exotic wood with natural emulsion stain.

After the application of a flow coat, the wood is coated with solvent-free water-based emulsion stain.

The wood used is certified and sourced from well-managed forests.

The leg of the low table is made up of angle irons in 4mm thick painted steel. The anchoring plate of the leg is 8 mm thick.

Steel parts are zinc plated, then they undergo our powder blast process (after cleaning and shot blasting, they are coated with a first coat of epoxy powder, and then with a second coat of polyester powder).

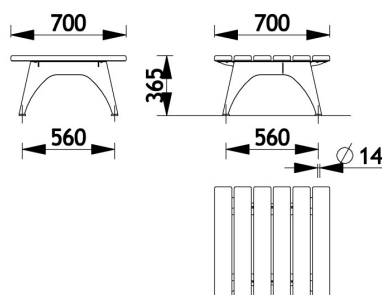

The low table is assembled with tamper-resistant screws on wooden inserts.

4 anchoring points.

Delivered assembled.

Weight: 25kg.

➤ Dimensions

➤ Colours

Colours shown:

Wood: Natural shade

Leg: Manganese black

Colours to select from RAL (satin) or AKZO NOBEL (sand) charts.
