

Opéra 2 places Seat

Ref. 10 298402

Street Furniture
Opéra Range

Sineu Graff : Intelligent Design
for the town of tomorrow

➤ Presentation

The Opera seat can integrate with all architectures thanks to its traditional lines and high-quality workmanship. The Opera seat can be unobtrusive in a high-density context or stand out in a sparser environment.

With its clean design, the Opera range of street furniture includes seats with 3 and 2 places, chairs and low tables.

This furniture has been designed and manufactured by Sineu Graff, experts in urban landscaping, in accordance with a sustainable development approach.

➤ Description

The seat and backrest of the seat are made up of hardwood slats with a 38x105mm section.

After the application of a flow coat, the wood is coated with solvent-free water-based emulsion stain.

The wood used is certified and sourced from well-managed forests.

The seat is assembled with concealed screws.

Cast-iron parts are produced in a foundry located close to our factory in France and are treated using our powder blast process (after cleaning and shot blasting, the parts are coated with a first coat of epoxy powder, and then with a second coat of polyester powder).

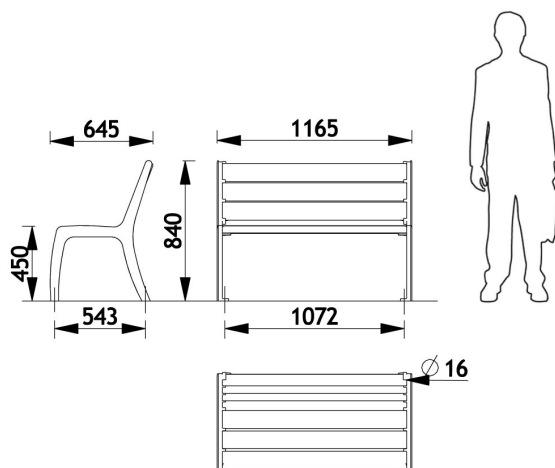

The low table is assembled with tamper-resistant screws on wooden inserts.

4 anchoring points.

Delivered assembled.

Weight: 59kg.

➤ Dimensions

➤ Colours

Colours shown:

Wood: Natural shade

Legs: Sand grey 900

Colours to select from RAL (satin) or AKZO NOBEL (sand) charts.
