

Litter Bin

Ref. 20 0500S

Street Furniture
Diamond Point Range

Sineu Graff : Intelligent Design
for the town of tomorrow

➤ Presentation

Rectangular Diamond Point litter bins are characterised by cladding with a diamond point motif for optimum strength. These very discreet pieces of street furniture will be at home in all your urban spaces. Further, the bin includes a post.

This furniture has been designed and manufactured by Sineu Graff, experts in urban landscaping, in accordance with a sustainable development approach.

➤ Description

The litter bin is made up of a rectangular body in 2.5mm thick painted galvanized steel with a diamond point motif, a 3mm thick painted galvanized steel lid, a painted galvanized steel post with an 80x40mm section, 2mm thick, and a galvanized steel bucket.

Steel parts are zinc plated, then they undergo our powder blast process (after cleaning and shot blasting, they are coated with a first coat of epoxy powder, and then with a second coat of polyester powder).

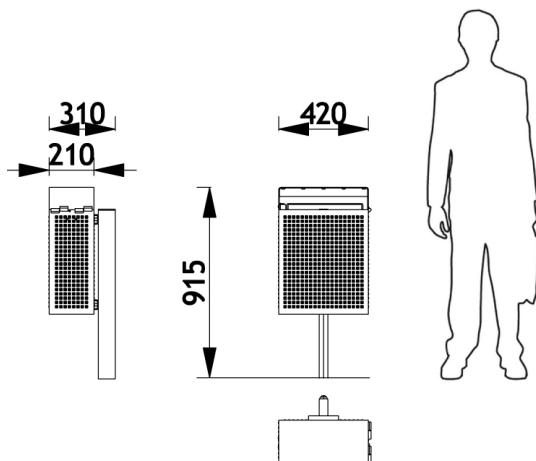

A black plastic cap is placed on the top of the post.

Capacity: 32 litres.

Delivered pre-assembled.

Weight: 28kg.
