

Litter Bin

Ref. 20 0557N

Street Furniture
Classical Range

Sineu Graff : Intelligent Design
for the town of tomorrow

➤ Presentation

This litter bin from the Classic range is oblong in shape and has a rain shield. Its wooden cladding gives it a natural and warm appearance and it will easily integrate into all your urban spaces and parks.

This furniture has been designed and manufactured by Sineu Graff, experts in urban landscaping, in accordance with a sustainable development approach.

➤ Description

The bin is made up of a body with wooden slats, an upper rail in 2.5mm thick painted galvanized steel, a lower rail with a bottom in 2.5mm thick painted galvanized steel, a painted galvanized steel framework, a galvanized steel bucket and a triangular lock.

The framework of the bin includes a rain shield in 5mm thick painted galvanized steel and 2 2.5mm thick triangular posts.

Plate anchored versions have 6mm thick painted galvanized steel anchoring plates.

After the application of a flow coat, the wood is coated with solvent-free water-based emulsion stain.

The wood used is certified and sourced from well-managed forests.

Steel parts are zinc plated, then they undergo our powder blast process (after cleaning and shot blasting, they are coated with a first coat of epoxy powder, and then with a second coat of polyester powder).

Closing is automatic, while opening is done via a triangular key.

4 anchoring points.

Capacity: 44 litres.

Delivered assembled.

Weight: 35kg.
