

# Litter Bin

Ref. 21 0200

Street Furniture  
Garden City Range

Sineu Graff : Intelligent Design  
for the town of tomorrow

## ➤ Presentation

The Garden City litter bin is part of a complete range of litter bins made in steel using a SINEU GRAFF patented assembly system, which gives it maximum strength. The transparency of this piece of street furniture makes it unobtrusive in its environment. It is particularly matched with our Garden City seating range.

This furniture has been designed and manufactured by Sineu Graff, experts in urban landscaping, in accordance with a sustainable development approach.

## ➤ Description

The Garden City litter bin is made up of a painted galvanized steel body, an 18mm thick cast aluminium lid and a stainless steel bucket.

The body of the Garden City litter bin is made of rods with an 8mm diameter.

Steel parts are zinc plated, then they undergo our powder blast process (after cleaning and shot blasting, they are coated with a first coat of epoxy powder, and then with a second coat of polyester powder).

The lid of the Garden City litter bin is locked with a triangular key.

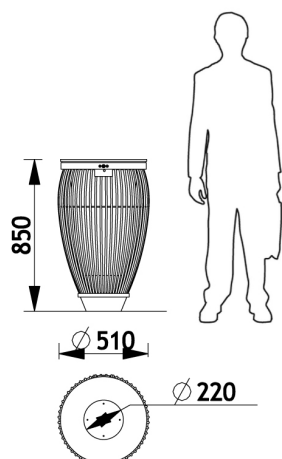

3 anchoring points (Ø14mm).

Capacity: 50 litres.

Weight: 42kg.

Delivered assembled.
