## ➤ Presentation

The City Confort round litter bin is part of a complete range of litter bins made in steel using a SINEU GRAFF patented assembly system, which gives it maximum strength. The transparency of this piece of street furniture makes it unobtrusive in its environment.

This furniture has been designed and manufactured by Sineu Graff, experts in urban landscaping, in accordance with a sustainable development approach.

## ➤ Description

The City Confort round litter bin is made up of round painted galvanized steel irons with an 8mm diameter, a 5mm thick painted galvanized steel lid and a stainless steel inner bin.

Steel parts are zinc plated, then they undergo our powder blast process (after cleaning and shot blasting, they are coated with a first coat of epoxy powder, and then with a second coat of polyester powder).

Closing is automatic, while opening is done via a triangular key.

Capacity: 60 litres.

3 anchoring points.

Delivered assembled.

Weight: 33kg.
