

Module with backrest for Planter Bench

Ref. 52 11911

Street Furniture
Mobile Gardens Range

Sineu Graff : Intelligent Design
for the town of tomorrow

➤ Presentation

The bench is characterised by its clean and elegant design and its perfect finish (no visible fasteners). The bench has a seating module with a backrest, and integrates perfectly into its environment.

The piece of equipment is based on the Mobile Gardens concept, for creating friendly settings and new atmospheres.

The bench may have a planter and be used in combination with single or double seats, single or double benches, S-shaped benches, Mobile Gardens and Mobile Forests.

This furniture has been designed and manufactured by Sineu Graff, experts in urban landscaping, in accordance with a sustainable development approach.

➤ Description

The bench has 1 seating module with a double backrest.

The side cladding, seatings and backrests of the bench are made of wood with a 38x98 mm section.

After the application of a flow coat, the wood is coated with solvent-free water-based emulsion stain.

The wood used is certified and sourced from well-managed forests.

The metal supports of the bench are in 4mm thick painted galvanized steel and the adjustable plinths are in 3mm thick painted galvanized steel.

Steel parts are zinc plated, then they undergo our powder blast process (after cleaning and shot blasting, they are coated with a first coat of epoxy powder, and then with a second coat of polyester powder).

The adjustable feet of the bench are in stainless steel.

The assembly fasteners are concealed.

Pre-assembled module.

Weight: 279kg.

➤ Dimensions

➤ Colours

Colours shown:

Wood: Natural shade

Metal parts: RAL 7012 Basalt grey

Colours to select from RAL (satin) or AKZO NOBEL (sand) charts.
